GGA shall provide services to all members. On any expenditure for which the member is responsible, GGA shall not be obligated to provide services without first securing funds from the member in payment of such expenditure. If the member pays for covered expenses without receiving an approval or authorization in writing from GGA, then GGA shall not be obligated to reimburse the member for any such expenditure. In the event a member requests a service not included in a program, GGA may, in its sole and absolute discretion, provide such benefits or services at the sole expense of the member, including a reasonable fee to GGA for its efforts on behalf of the member.

GGA provides the services under this program in all countries of the world. However, conditions such as war, natural disaster or political instability may exist in some countries that render assistance services difficult or impossible to provide. In such instances services cannot always be assured. GGA shall attempt to assist a member consistent with the limitations presented by the prevailing situation in the area. GGA reserves the right to suspend, curtail or limit its services in any area in the event of rebellion, riot, military uprising, war, terrorism, labor disturbance, strikes, nuclear accidents, acts of God or refusal of authorities to permit GGA to fully provide services. In the event a member travels in any area in which such conditions exist, GGA nonetheless shall endeavor to provide services consistent, however, with the risks and conditions then prevailing. GGA shall not be responsible for failure to provide, or for delay in providing services when such failure or delay is caused by conditions beyond GGA's control, including but not limited to flight conditions, labor disturbance and strike, rebellion, riot, civil commotion, war or uprising, nuclear accidents, natural disasters, acts of God or where rendering a service is prohibited by local law or regulations.

Decisions by physicians or other health care professionals employed by or under contract to or designated by GGA as to the medical necessity for providing any of the medical services covered by this program are medical decisions based on medical factors and shall be conclusive in determining the need for such services. GGA shall not evacuate or repatriate a member if an GGA designated physician determines that such transport is not medically advisable or necessary or if the injury or illness can be treated locally. In all cases, the medical professionals, medical facilities or legal counsel suggested by GGA to provide direct services to the eligible person pursuant to this program are not employees or agents of GGA, and the final selection of any such medical professional, medical facility, or legal counsel is your choice alone. GGA assumes no responsibility for the quality or content of any such medical or legal advice or services. GGA shall not be liable for the negligence or other wrongful acts or omissions of any of the healthcare or legal professionals providing direct services arising out of or pursuant to this program. The member shall not have any recourse against GGA by reason of its suggestion of or contract with any medical professional or attorney.

These services are not insured benefits. To the extent these services or any advanced payments are not included in the program, you will be responsible for payment. All services must be arranged by and approved by GGA.
