

Insurance Guidelines & Information

Guidelines

Missionaries and guests must be insured for the protection of the individual, Field, Region, and denomination. Insurance is available for purchase through the Global Missions insurance website. Global Missions partners with Berkley Accident and Health to provide missionaries and guests with accident and health insurance.

If a missionary's current insurance policy meets, the required policy benefits listed below, they can submit their policy to the Global Missions Mobilization office for review. To help with the review process, the missionary must submit a copy of the policy—with the required portions highlighted—at least 60 days before deployment. If the policy qualifies, the missionary will still be responsible for the International Liability portion of the insurance policy, which is \$0.30 per person per day.

Required policy benefits:

- Accident and sickness (\$100,000; \$100 deductible per claim)
- Accidental death and dismemberment (\$75,000)
- Emergency medical evacuation (100% of usual and customary charges)
- Repatriation of mortal remains (100% of usual and customary charges)
- International liability (required for every missionary and guest)

Additional policy benefit provided through the Berkley policy:

- Security evacuation (100% of usual and customary charges)

To purchase the Global Missions insurance policy, missionaries and guests must complete the insurance order form online at gminurance.nazarene.org. In calculating the number of days for coverage, travel days must be included to ensure coverage while traveling to and from the field.

Rates

The insurance premium costs* are as follows:

If you are on the field for 1-21 days —US \$3.25 per person per day

If you are on the field for 22-90 days —US \$2.75 per person per day

If you are on the field for 91-365 days —US \$2.25 per person per day

*Rates are subject to change.

Insurance premium costs can be paid in advance or deducted monthly from the Field. If deducted monthly, the Field will collect the insurance premium from the missionary's support funds. Guests and missionaries serving less than 90 days must pay the premium in advance.

Coverage and Exclusions

The insurance plan provided through Berkley has a \$100 deductible per incident and no co-pay. After the deductible, the plan pays 100 percent up to the maximum amount stated.

This insurance plan is not a major-medical policy. Exclusions apply. The plan covers pre-existing conditions at a lower benefit. Please read the Insurance Brochure for more detailed information (see "Insurance Resources").

The insurance plan provided through Berkley does not cover:

- Routine physicals
- Eye refractions or examinations
- Travel for medical care or treatment
- Hearing aids
- Child care
- Skiing, mountain climbing, sky diving, scuba diving, etc.
- Routine dental care and treatment
- Mental nervous disorders or rest cures
- Workers' compensation
- Injuries directly caused by an act of war
- Cosmetic or plastic surgery

Submitting a Claim

If a missionary or guest suffers injuries from an accident or exhibits symptoms of illness, they must call Berkley to open a claim (see "Insurance Resources"). Berkley can then help to ensure all paperwork related to the claim is properly completed. The missionary or guest must also visit a physician or local healthcare provider **prior** to leaving the field. It is important that the attending physician fill out and sign their portion of the Medical/Sickness Claim Form (see "Insurance Resources"), and the missionary or guest do the same. In order for Berkley to process the claim, the missionary or guest must then submit the form to Berkley with the corresponding receipts.

If an accident or sickness occurs, the missionary or guest must also notify the Global Missions Mobilization office.

Prior to submitting the Medical/Sickness Claim Form, the missionary or guest is responsible to care for all expenses. Berkley will reimburse them according to the policy.

If the missionary or guest visited a physician **prior** to leaving the field, Berkley may cover continued treatment back in their home country. This continued coverage is available for up to 60 days from the date of the accident or sickness.

Hospitalization, Medical Evacuation, Security Evacuation and Repatriation

If a missionary or guest needs hospitalization, contact Berkley immediately. If a missionary or guest needs medical evacuation, security evacuation, or repatriation, contact Berkley before making any arrangements. Then, notify the Global Mission Mobilization office. If a missionary or guest opts to make their own arrangements, all costs will be their personal responsibility.
